## Individual & Family Application Form - addendum

### Moratorium Underwriting Clause

It is important that you read, understand and accept all of the paragraphs in the following declaration for your UltraCare Plan application to be underwritten under this Moratorium Underwriting Clause.

This declaration applies equally to you and to any eligible dependant(s) you have included within the application form.

Moratorium means a waiting period of twenty-four (24) months from the date of joining, or the date specified on the special terms section of your Certificate of Insurance, that must have elapsed before claims for pre-existing medical conditions may be eligible for cover under the policy/plan.

Pre-existing means any medical or related medical condition which has one or more of the following characteristics:

- was foreseeable,
- manifested itself,
- the person had signs or symptoms of,
- the person sought advice for,
- the person received treatment for, or,
- to the best of the person’s knowledge, was aware existed.

After a period of twenty-four (24) months continuous cover under the policy/plan, pre-existing medical conditions may become eligible for benefit, if the person concerned has not:

- experienced symptoms,
- sought advice,
- required treatment, medication, or special diet, or,
- received treatment, medication, or special diet

If the person concerned has experienced any of the above, he/she will be required to wait a further twenty-four (24) months from the last date of treatment and must meet the above criteria, before being eligible to claim benefit for the pre-existing medical condition in question. This constitutes the rolling part of the Moratorium.

### Declaration

I confirm that I have read, understood and accept this Moratorium Underwriting Clause relating to pre-existing medical conditions and that it applies equally to any eligible dependant(s) included within the application form.
